- Compulsory to present MySejahtera Vaccination Status at checkpoints / for verification.
- Compulsory check-in via MySejahtera and temperature screening at designated checkpoints.
- Wearing of face masks mandatory at all times whilst on premises. Removal of face masks only allowed for consumption of food/drinks and during sports / at the pools.
- Physical distancing of two (2) meters compulsory at all times. Groups / gatherings not allowed.
- Children under 17 years permitted to dine and engage in activities but **MUST** be accompanied by fully vaccinated parent(s) / guardian(s).
- Wash and sanitize hands regularly.

### GUESTS CHECKING IN

- Only fully vaccinated individuals allowed to check in. Children under 17 years are allowed to check in and **MUST** be accompanied by fully vaccinated parent(s) / guardian(s).
  - Pfizer / AstraZeneca / Sinovac > 14 days after second dose
  - Johnson & Johnson / CanSino > 28 days after single dose

### SWIMMING POOLS

- Swimming pools are open.
- Swimming pool use is allowed for fully vaccinated individuals only. Children under 17 years are allowed to check in and **MUST** be accompanied by fully vaccinated parent(s) / guardian(s).
  - Pfizer / AstraZeneca / Sinovac > 14 days after second dose
  - Johnson & Johnson / CanSino > 28 days after single dose
- Number of pool users are limited and remain at minimal for each session depending of the size of our swimming pool.
- Per booking / per hour. If you wish to continue using the pool after one hour, you can register again if there are still slots available and no queue / booking list.
- Social distancing of 1 to 2 meters is to be observed at all times.

*We seek your kind understanding and cooperate with our staffs managing the pool counter with regards to our pool SOPs. This is to ensure a safe and clean environment for everyone to swim in.*

### DINING

- Dining is allowed for fully vaccinated individuals only. Children under 17 years are allowed to check in and **MUST** be accompanied by fully vaccinated parent(s) / guardian(s).
  - Pfizer / AstraZeneca / Sinovac > 14 days after second dose
